

I am snow example!

W Can a man still be brave if he's afraid? That is the only time a man can be brave.

Courage and folly is **always** just a fine line.

There is only one God, and his name is Death. And there is only one thing we say to Death: "Not today."

Fear cuts deeper than swords.

Every flight begins with a fall.

A ruler who hides behind paid executioners soon forgets what death is.

We are born to suffer, to suffer can make us strong.

The things we love destroy us every time.
